

HONDA

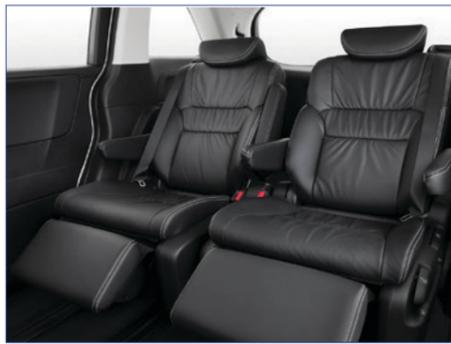

BUILT WITH YOUR LOVED ONES IN MIND. THE ODYSSEY DELIVERS PRACTICAL TECHNOLOGY AND CONVENIENCES THAT KEEP YOUR FAMILY CONNECTED AND COMFORTABLE. MADE TO MOVE A CROWD AND DESIGNED TO IMPRESS, THE ODYSSEY IS AS SLEEK AS IT IS PRACTICAL.

ODYSSEY S - 8 SEATER

ODYSSEY LS - 7 SEATER

ODYSSEY S - 8 SEATER

ODYSSEY S - 8 SEATER

POWERTRAIN

- 2.4 litre, DOHC, 4 Cylinder, 16 valve, i-VTEC Engine with:
 - EarthDreams Engine Technology
 - 129kW @ 6200rpm and 225Nm @ 4000rpm
- EarthDreams Transmission with:
 - Automatic CVT with G Design Shift
 - Auto Idle Stop
 - 7 Speed Paddle Shifters

EXTERIOR

- Aero Sports Kit (Bumpers, Grille and Side Skirts)
- 17" Alloy Wheels (Silver)
- Intelligent Auto Headlights
 - Halogen Auto-off (Welcome Home Function)
 - Integrated LED Daytime Running Lights (DRL)
- LED Guide Tail Lights
- Front Fog Lamps
- Dual Sliding Rear Doors
- One-Touch Electric Passenger's Side
- Remote Operating Sliding Door (Passenger's)
- Amplitude Reactive Damper Suspension

INFOTAINMENT

- Display Audio - 7" Touch Screen System including:
 - Navigation Capable (with iPhone & Sygic App)*
 - CD Player & AM/FM Radio
 - Bluetooth Phone & Audio Connectivity
 - USB & HDMI ports
 - Siri Eyes Free+ mode
 - Six Speaker Audio
 - 3 Angle Reversing Camera with Dynamic Parking Aid

INTERIOR

- Leather Wrapped Steering Wheel & Shifter
- Premium Soft Touch Dash
- One-Touch Indicators
- Black Fabric Interior Trim

SAFETY

- Motion Adaptive Electric Power Steering (MA-EPS)
- SRS Airbags Dual Front, Side and Full Length Curtain
- Tyre Deflation Warning System (DWS)
- Electronic Brakeforce Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist (HSA)
- Anti-lock Braking System (ABS)
- Vehicle Stability Assist (VSA)

ODYSSEY L SENSING - 7 SEATER

Adding to or replacing features on the Odyssey S:

EXTERIOR

- LS Aero Sports Kit (Bumpers, Grille and Side Skirts)
- 17" Alloys (Silver & Gunmetal Finish)
- Intelligent Auto LED Headlights
- LED Front Fog Lamps
- Active Cornering Lights (ACL)
- Exterior Courtesy Lamps
- Shadow Chrome Grille
- Dual One-Touch Sliding Electric Rear Doors
- Remote Operating Sliding Doors (Both)

INTERIOR

- Smart Proximity Key with Push Button Start/Stop
- Leather Interior Trim
- Power & Heated 8 Way Electric Driver's Seat
- Power & Heated 4 Way Electric Passenger's Seat
- ISOFIX for 2nd Row
- Electric Glass Sunroof
- Privacy Glass
- Auto Dimming Rear View Mirror
- Rear Door Privacy Blinds
- Tri-Zone Automatic Climate Control
 - Rear Controls, Roof & Floor Vents

INFOTAINMENT

- Display Audio+ - 7" Touch Screen System Adds:
 - Built in Honda Navigation

SAFETY

- Advanced Active Safety Suite:
 - Honda Smart Parking Assist with 360 degree multi view camera
 - Blind Spot Monitoring
 - Cross Traffic Warning

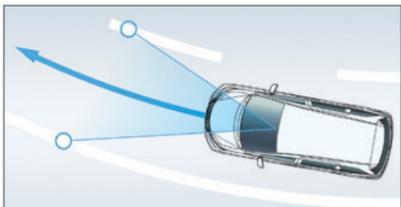

HONDA SENSING

- Adaptive Cruise Control (ACC)
- Lane Keep Assist System (LKAS)
- Collision Mitigation Braking System (CMBS)
- Forward Collision Warning (FCW) (Integrated with CMBS)
- Road Departure Mitigation (RDM)
- Lane Departure Warning (LDW) (Integrated with RDM)

HONDA SENSING

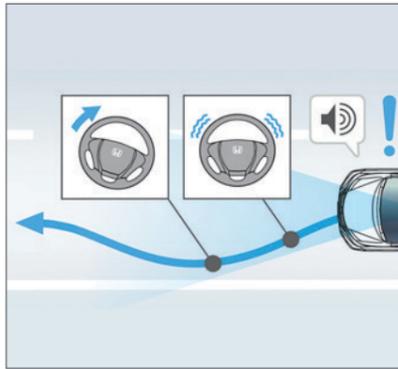

LANE KEEP ASSIST

Honda's Lane Keep Assist System reduces the strain of extended driving by helping you maintain your lane position. If the vehicle begins to leave the centre of a detected lane without signalling, the steering automatically adjusts to keep you centred.

COLLISION MITIGATION BRAKING SYSTEM

The Odyssey incorporates a millimetre wave radar sensor, that helps mitigate the severity of an unavoidable accident by automatically applying strong brake pressure when needed.

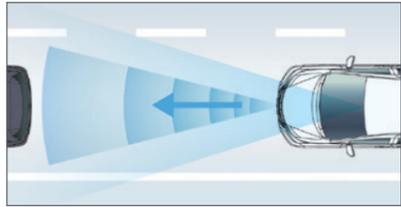

LANE DEPARTURE WARNING

The windshield mounted camera identifies common safety markers, like lane dividers and catseye markers, and will issue an audio alert if you are about to leave your lane without signalling.

FORWARD COLLISION WARNING

The Honda Forward Collision Warning System uses a small camera, mounted at the top of the windshield, to determine if you are at risk of a collision with another vehicle. The system issues audio and visual signals, and will automatically apply brake pressure should you fail to react.

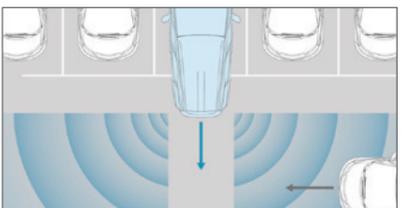

ADAPTIVE CRUISE CONTROL

The Odyssey's onboard radar & camera sensors enable the Adaptive Cruise Control to maintain a set following interval by automatically adjusting your cruise control speed up or down when traffic is detected.

ROAD DEPARTURE MITIGATION SYSTEM

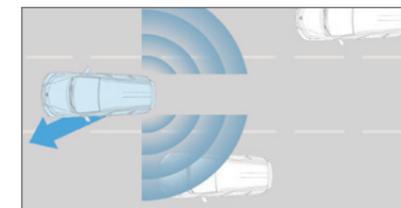

The Road Departure Mitigation system works in conjunction with the Lane Departure Warning sensors to gently correct your course, via steering and braking adjustments, in the event of the vehicle leaving a detected lane.

ADVANCED ACTIVE SAFETY SUITE

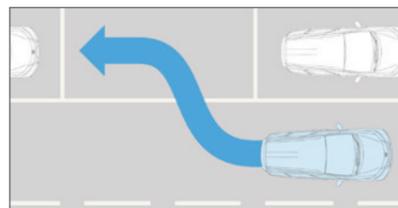

CROSS TRAFFIC MONITOR

The Rear Cross Traffic Monitor detects oncoming traffic on either side, and alerts you via an audible warning and multi-view camera display. It's clever thinking at its most practical.

BLIND SPOT INFORMATION SYSTEM

Honda's Blind Spot Monitoring System keeps a constant eye on your blind spot with an in-mirror indicator, that automatically checks and warns when you indicate to change lanes.

HONDA SMART PARKING ASSIST

Smart Parking Assist System can find a parking spot and park the car in it for you. First it recognizes the parking spaces; once you've checked the space is suitable, it then automatically steers the Odyssey into the park using the power steering.

AUDIO & CONNECTIVITY

DISPLAY AUDIO

It wouldn't be a Honda without its cleverly designed interface. This full colour, 7" display keeps you connected to your world without distracting you from the road. Simply tap, pinch or swipe and you're in full command. Full suite of connectivity with USB, HDMI, CD & Bluetooth means you can connect how you want.

BLUETOOTH CONTROLS & SIRI EYES FREE

Take or make calls while you keep your hands on the wheel with the clever steering wheel mounted controls. If you're an iPhone user, press the voice command button and ask Siri* to call someone in your contacts list, play a song, read and compose a text message and even add an event to your calendar.

BUILT IN NAVIGATION

The Odyssey LS comes standard with a built in Navigation. Built in Satellite Navigation with turn by turn guidance means you always know the best way to go, even if you do not have an active smartphone connection. No cables or downloads required – simply press the Navigation button and enter your destination, pick from stored favourites or search thousands of points of interest.

MULTI ANGLE REVERSING CAMERA

Shift into reverse and the multi angle camera automatically displays one of three rear views on the 7" screen. Easily switch between an astounding 180° normal view, wide view or handy top down view. Dynamic parking aid lines help guide you into the tightest of spaces.

360 DEGREE MULTI-VIEW CAMERA

Navigating through busy carparks, narrow streets and tight spaces can be stressful in a large vehicle. Now, with simply the touch of a button or press of the screen, the Odyssey LS shows you a full 360 degree view of your surroundings.

Four fisheye cameras - on the front grille, the right and left door mirrors and on the tailgate. These cameras provide a 360 degree panoramic view of what is around the vehicle. With up to six views to choose from (including top-down, front, side and rear) together they create the 'Multi-view'. These cameras aren't just for parking however; they also assist making safe decisions at intersections, in driveways and reversing.
